By Order of the Court, effective September 24, 2024, Rule 9-1 and Rule 17 of the Local Rules of the Louisiana Fifth Circuit Court of Appeal are adopted and provide as follows:

LOCAL RULE 9-1: SCOPE OF SUPERVISORY REVIEW

- A. The scope of this court's supervisory review is customarily limited to materials submitted in a writ application and any supplements thereto.
- B. If a writ application omits materials required by Rule 4-5 of the Uniform Rules of the Courts of Appeal, the applicant may supplement the writ application, or the panel on its own motion may order supplementation thereof.
- C. The court retains discretion to take judicial notice of materials from the official record not contained in a writ application as the court deems necessary.

LOCAL RULE 17: MOTIONS TO SUPPLEMENT APPEAL RECORDS

A motion to supplement a record on appeal shall be filed within thirty days of the lodging of the record. Failure to comply with this rule without good cause may be grounds for denial of the motion and may subject the moving party to sanctions, including, but not limited to, forfeiture of the party's right to oral argument.
